

Doula Evaluation

Please take a moment to fill out this survey and return it to me. This will help me improve my support of laboring women. Attach a separate sheet of paper if necessary.

Doula:

Name of mother (optional):

Date of birth:

Birth site:

Backup Doula

Name of child (optional):

Name of care provider:

Were the prenatal visits beneficial? Did you feel it was enough contact?

Was I easily accessible to you?

What were my strong points during labor?

What would you have liked me to do differently?

Did I support you partner and family well?

What was the greatest benefit to having a doula at your birth?

Was there anything done during labor that bothered you?

Would you use a doula again?

If applicable, was my back up accessible and helpful?

Did you feel the fee was fair?

Was I comfortable to be around?

Did I work well with the birth site staff?

Was I supportive of your birth plan?

Was I respectful of your decisions?

Did I stay long enough after baby was born?

Would you recommend me to your pregnant friends or family?

Additional comments?

May I use you as a reference?

Thank you for taking the time to fill out this survey. God bless you and congratulations!
